

1

Cultural stereotypes: is this my country?

What kind of stereotypical associations do you think people have with The Netherlands? Write down at least three of them.

2

Cultural stereotypes: how about other cultures?

What kind of stereotypes do people have when they think of the United States of America? Write down at least three of them.

3

Different layers of culture: how about your own iceberg?

Your own iceberg: make a drawing of an iceberg with it's different layers (surface culture and deep culture) and write down at least ten words in each layer.
